

About the delivery and retrieval of works in the second round

Although we announced that the works must be delivered directly by the applicant or their representatives, we now accept the delivery by a shipping company arranged by the applicant.

Please note that;

All expenses (shipping, insurance, etc.) are to be borne by the applicant. Applicants who pass the first round of judging will be sent the second round of judging guidelines with detailed information on the date, time, and location of the delivery.

The organizer will notify the date and time of the retrieval (return) of their works.

The organizer will not be responsible for any damage or loss of their works during transportation. Please insure your work by yourself if necessary.
